WHY SHOULD I EARN THE CLTD?

Earning the APICS CLTD demonstrates expertise in streamlining and optimizing logistics, transportation and distribution including order management, distribution inventory management and warehouse management.

After earning your CLTD you will be able to:

- Improve distribution inventory management
- Develop and monitor warehouse performance metrics
- Identify and mitigate risk in logistics and transportation
- Manage and execute orders with an emphasis on logistics
- Identify and maintain optimal inventory levels including costs, controls and policy

WHAT WILL I STUDY?

The CLTD Learning System content is divided in to nine modules across two books. The content is integrated with best practices in the day-to-day functions of logistics professionals that drive the improvement in distribution and transportation necessary to maximize an organization’s efficiency and impact the bottom-line.

Book 1

- Module 1: Logistics Overview and Strategy
- Module 2: Logistics Network Design
- Module 3: Sustainability and Reverse Logistics
- Module 4: Capacity Planning and Demand Management

Book 2

- Module 5: Order Management
- Module 6: Inventory Management
- Module 7: Warehouse Management
- Module 8: Transportation
- Module 9: Global Logistics Considerations

HOW WILL I STUDY?

Your CLTD journey will begin with the CLTD Learning System. The CLTD Learning System is a comprehensive program that combines print and online reading materials, online practice tests and interactive study tools to ensure you're prepared for the CLTD Exam. Choose from three flexible study options that fit your schedule and learning style: Self-Study, Instructor-Led or Corporate/Group Learning. Each option is based around the CLTD Learning System.

The CLTD Learning System follows a three-step program to help you apply the concepts and test your understanding and retention of the information.
